Whereas it is the cause of ill health untimely death, we recommend that teachers, preachers and all concerned take a greater stand against it and live temperate lives ourselves, so that we can better constrain this.

Temperance means total abstinence from all filthy lucre. So as it means self-control. We recommend temperance in all walks of life.

Report of Educational Com.—We the Educational Com. beg to make our report: Education means to draw out or to instruct in this modern age. No man or woman should go without a trained mind and heart. Education is a development, therefore we urge that each of us would further our education to keep pace with the modern times. We recommend that our ministers as well as pews or laymen would further their education and that we Primitive Baptists would support our Griffin College largely by sending our children or somebody's child as well as sending finance, and that each 5th Sunday be educational day. Com:—A. M. Frazier, Sylvia Dixon, L. Battle, A. Williams, A. L. Gainous, E. D. Williams, A. Acosta.

Com. on Ways and Means, beg to make our report. We recommend that our present enrollment be the same. We further recommend that the resolutions coming from Sis. A. M. Frazier concerning Founder's Day at Griffin College every Friday before the 4th Sunday in Sept. be reinforced more by each minister from his pulpit for the betterment of our own Griffin College which stands in much need. Every Primitive Baptist is asked to give a penny for each year the school is old. Each field agent and pastor is held responsible. Com:—

A. L. Robinson, L. Wheeler, L. J. Brantley, M. Thurman, L. Davis.
